OFFICE OF THE GOVERNMENT STATIST,
Melbourne, 30th January, 1892.

SIR,

I have the honour to forward herewith the First Part of the completed returns of the Census of Victoria, 1891—"Inhabitants and Houses"—in order that it may be presented to Parliament in accordance with the provisions of Act 54 Vict., No. 1171, section 13.

2. The manuscript of further Parts is ready for the Printer, and the matter will be supplied without stoppage until the whole is published.

3. The Census Parts will contain only the larger tables, which give the main results of the enumeration; but it is my intention, as soon as the compilation of the whole has been completed, to prepare a General Report upon the Census, to which will be appended a number of subsidiary tables containing averages, percentages, and comparative results, as well as a large amount of other information of an interesting and instructive character, derived from the returns.

I have the honour to be,
Sir,
Your most obedient servant,

HENRY HEYLYN HAYTER,
Government Statist.

The Honorable the Chief Secretary.
